WELCOME TO FIRST GRADE CURRICULUM

Mrs. Kane   Ms. Arroyo   Mrs. Painter

Fundations

We will use Fundations to learn how to decode

Math

We will be using Harcourt Math which includes unknown numbers and strategies, math facts, story problems, place value, money, time to the ½ hour and hour, fractions, and shapes.

Science

We will be incorporating science into most of our reading. Our main learning goal is to understand about living organisms, what they are, and what they need.

Social Studies

Our class will learn about communities, citizenship, our state, as well as people of long ago.

CLASSROOM AND SCHOOL RULES

Play and learn safely

Act responsibly

Work hard
