beginning sound

Parent Handbook Kindergarten

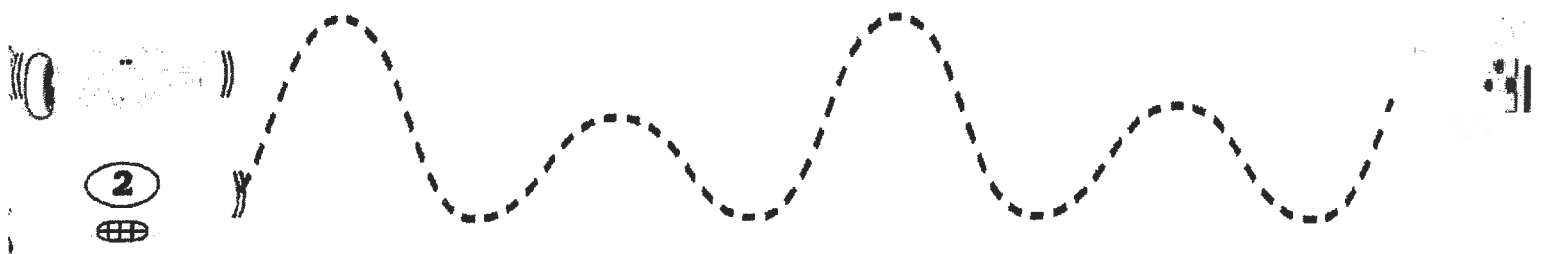

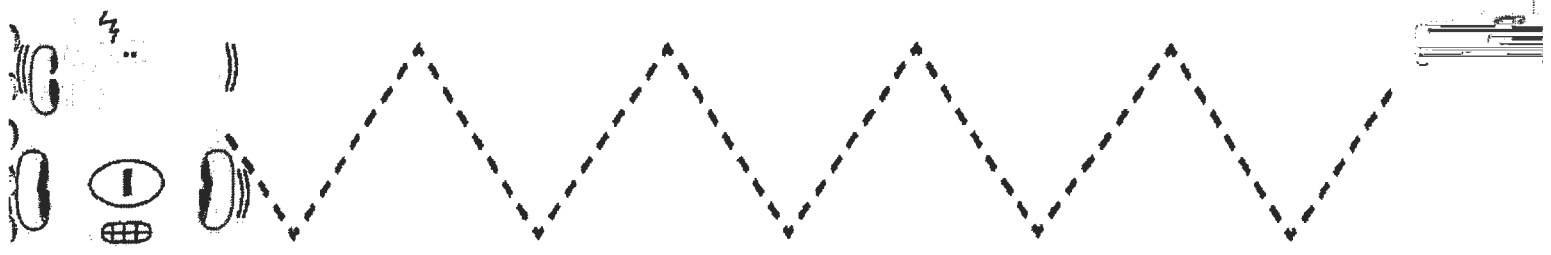

What is Phonemic Awareness?

Phonemic awareness is the ability to hear and manipulate individual sounds in words. Children must first understand that words are made up of concrete speech sounds that can be blended, segmented,

Directions: Trace the line to help the river reach the checkered flag

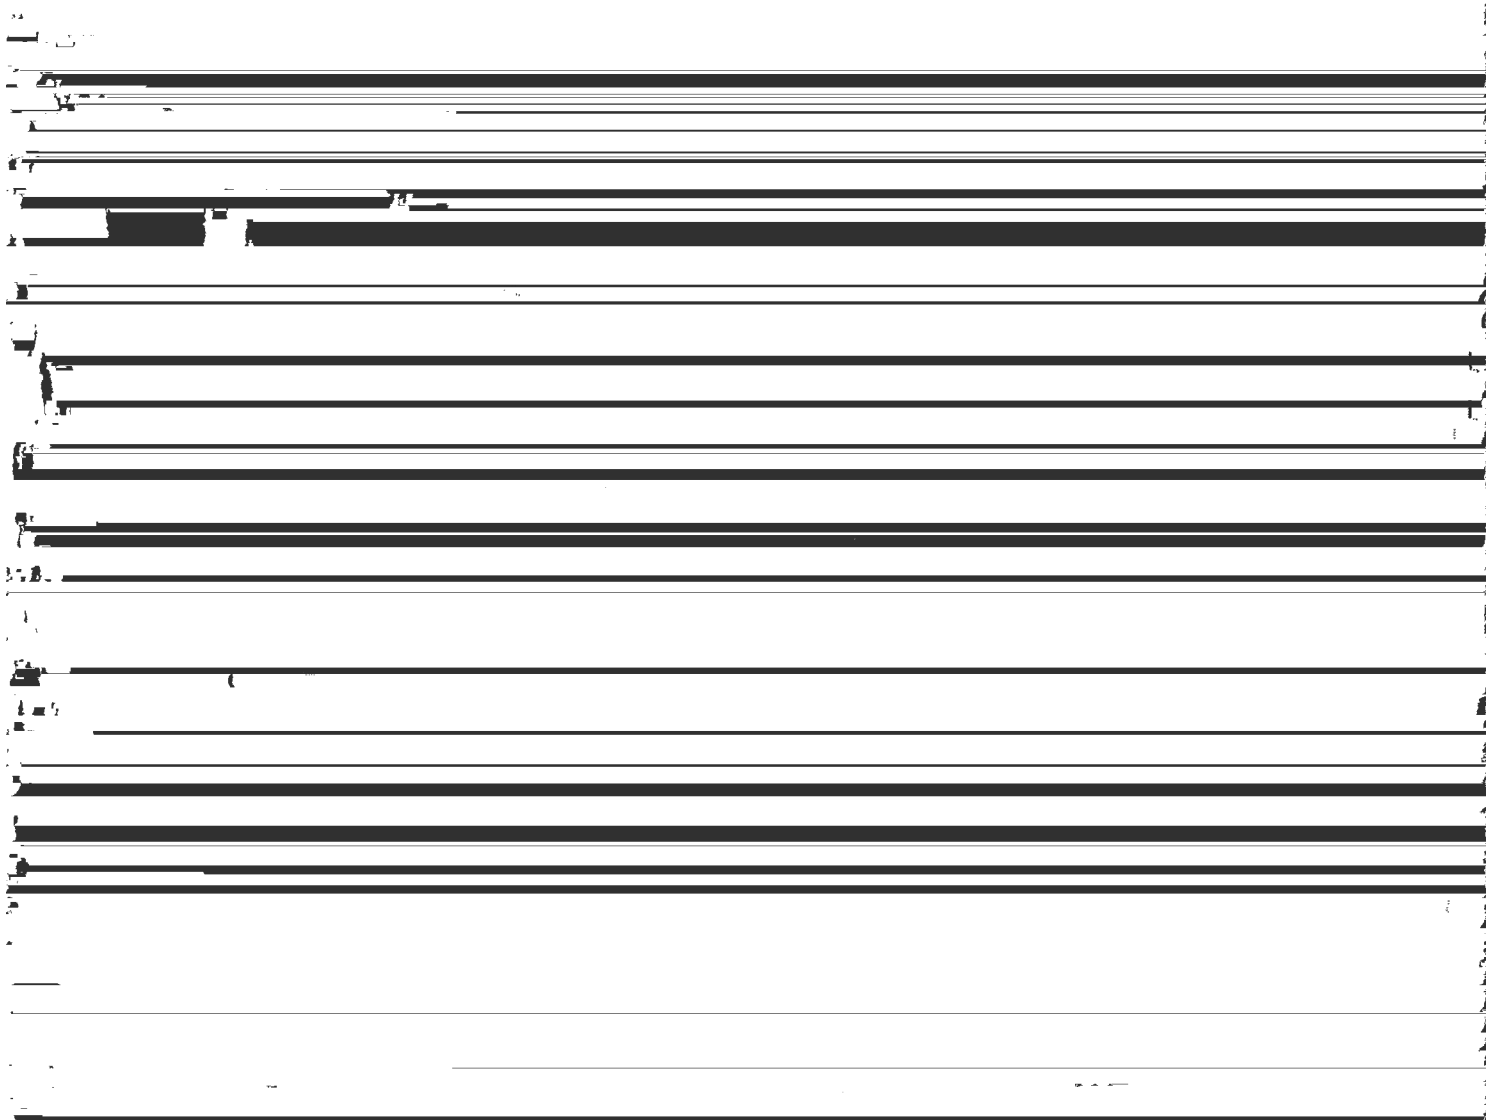

Name: _____

Numbers and Counting

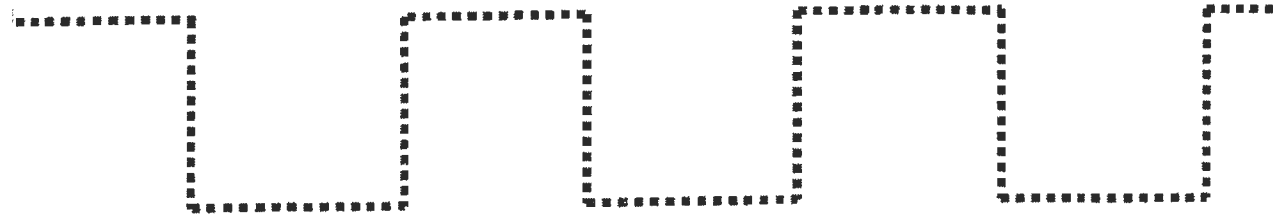

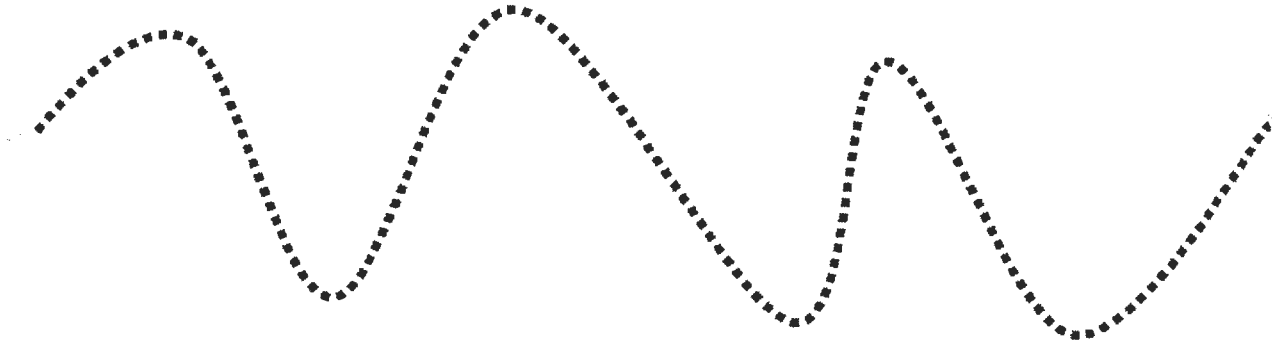

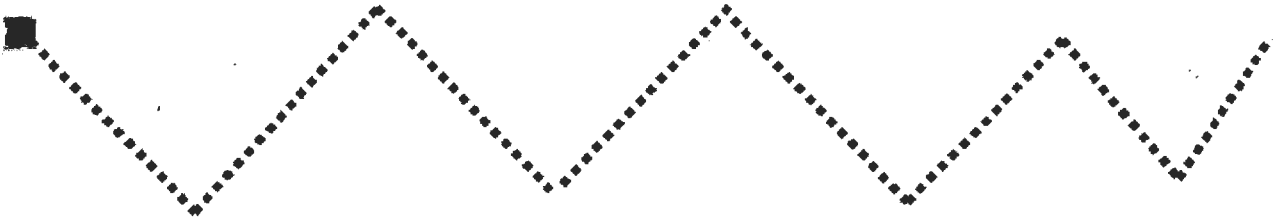

Count the items in the picture. Begin and end at "Start"

Use your scissors to cut from the black square to the black dot. Try to cut on the dotted line.

Scissor Skills

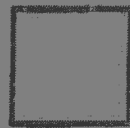

Math

standards your student will be required to understand:

- Counting to 100 by 1's and 10's
