

Integrated Action Plan

2018-19

Playa del Rey

PRINCIPLE 2 - Effective Teachers and Instruction

Needs Statement: Ensuring that students experience opportunities that involve risk taking, productive struggle, and increased self-efficacy.

Root Cause: Imbalance in who is at the Quality formative assessment practices that are embedded in a learning-rich culture that provide student center of the learning.

Desired Outcome: Students are at the center of learning and hold themselves

accountable through goal setting, analyzing their own achievement data, and persisting in challenging circumstances.

PRINCIPLE 6 - Family and Community Engagement

Needs Statement: Develop a defined systemic partnership between the school and all stakeholders

Root Cause: Low parent involvement and engagement in planned events and school improvement efforts

Desired Outcome: Established school improvement teams that include representatives from all stakeholder groups which can include parents, teachers, students, support staff and community members

SMART Goal: 90% of all parents that complete the annual school climate survey will select favorable responses in the areas of communication, school involvement and
